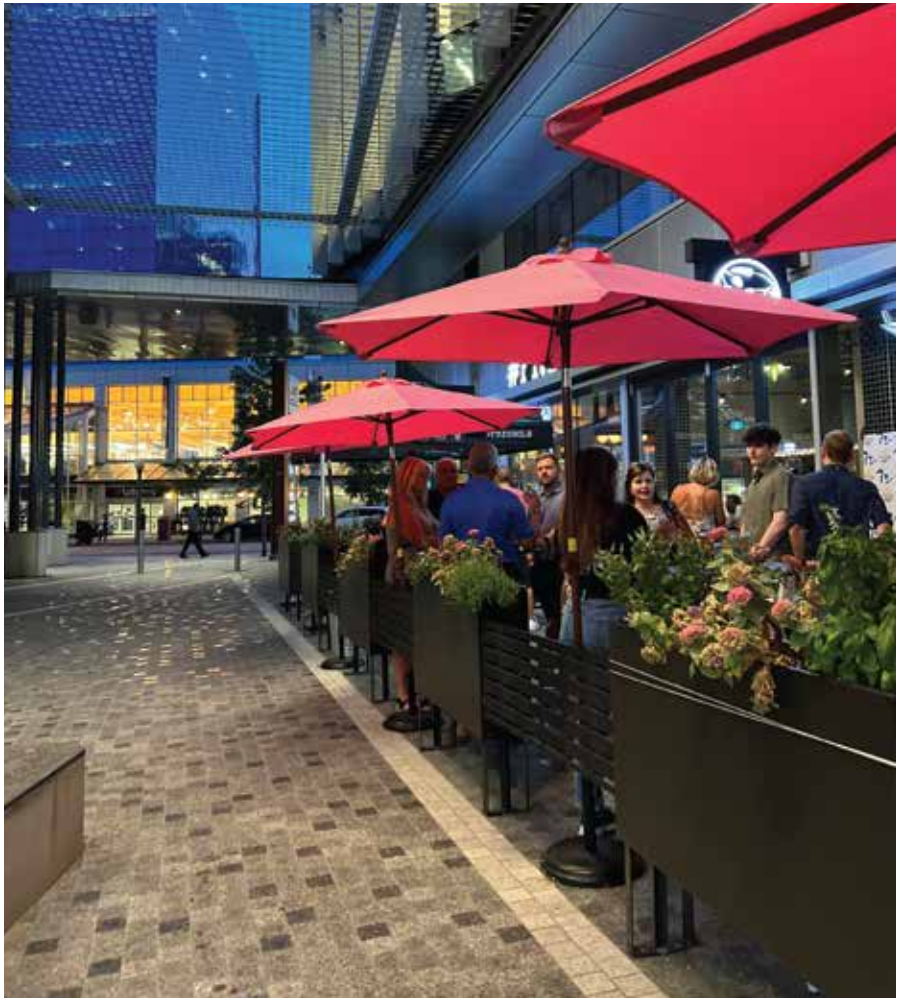
GLB: CRAFTING YOUR EVENT

WELCOME TO GREAT LAKES BREWERY!

We are a fiercely independently owned craft brewery, and proud of it! GLB has been in the craft beer industry since 1987, making us one of the oldest independent craft breweries in Canada. We specialize in producing top quality beers from year-round staples to unique seasonal offerings, ensuring that we have something for everyone.



Our two locations have always been more than just places to grab a pint. They're gathering spots and community hubs that are built on connection. That's why it makes perfect sense to host your private event here, where community, craft, and celebration come together naturally.

Supporting local never tasted so good.

WORKING WITH THE GLB TEAM
